Professional Summary

I am interested in the Senior Strategy Analyst position at Alterra Mountain Company. I have worked at Palisades Tahoe at Alpine Meadows for four years in the Parking and Information Mountain Host Departments. I have a PhD in Cell and Molecular Biology and ten years of experience managing projects, analyzing data, and making data-driven decisions. My first-hand knowledge of Alterra mountains and ability to strategize and solve problems make me an excellent candidate for the Senior Strategy Analyst position.
